

Students

Student and Family Privacy Rights

The Board of Education respects the rights of District students and their parents/guardians with regard to the privacy of their personal beliefs and the confidentiality of their personal information. The Superintendent or designee shall develop regulations to ensure compliance with law when the District requests, retains, discloses, or otherwise uses the personal information of its students and their families.

The regulations shall, at a minimum, address the following:

1. Whether the District may collect the personal information of students for marketing or sale
2. How the District will administer surveys that may request information about the personal beliefs and practices of students and their families
3. The rights of parents/guardians to inspect:
 - a. Survey instruments requesting information about their personal beliefs and practices or those of their children
 - b. Instructional materials used as part of their children's educational curriculum
4. Whether the District may administer any nonemergency invasive physical examination or screening
5. Notifications that the District will provide to students and parents/guardians with respect to their privacy rights
