

Students

Dress and Grooming

The Board of Education believes that appropriate dress and grooming contributes to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction which would interfere with the educational process. (cf. 4119.22 - Dress and Grooming (staff)) (cf. 5145.2 - Freedom of Speech/Expression)

Students and parents/guardians shall be informed about the dress and grooming standards at the beginning of the school year and whenever these standards are revised. A student who violates the dress code shall be subject to appropriate disciplinary action. (cf. 5144 - Discipline)

Gang-Related Apparel

The principal, staff and parents/guardians at a school may establish a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. Such a gang related dress code may be included as part of the school safety plan and must be presented to the Board for approval. The Board shall approve the plan upon determining that it is necessary to protect the health and safety of the school's students. (cf. 0450 - Comprehensive Safety Plan) (cf. 5136 - Gangs)

Uniforms

To promote student safety and discourage theft, peer rivalry and/or gang activity, the principal, staff and parents/guardians at a district school may wish to establish a reasonable dress code requiring students to wear uniforms. Such a dress code may be included as part of the school safety plan and must be presented to the Board for approval. The Board shall approve such dress codes when it determines they are necessary for the health and safety of the school's students.

If a school's plan to require uniforms is adopted, the Superintendent or designee shall establish procedures whereby parents/guardians may choose to have their children exempted from the school uniform policy. Students shall not be penalized academically, otherwise discriminated against or denied attendance to school if their parents/guardians so decide. (E.C. 35183)

The Superintendent or designee shall ensure that resources are identified to assist economically disadvantaged students in obtaining uniforms.
