Technology

California Elementary

John Albert, Ed.D. Principal of California Elementary

Demographics

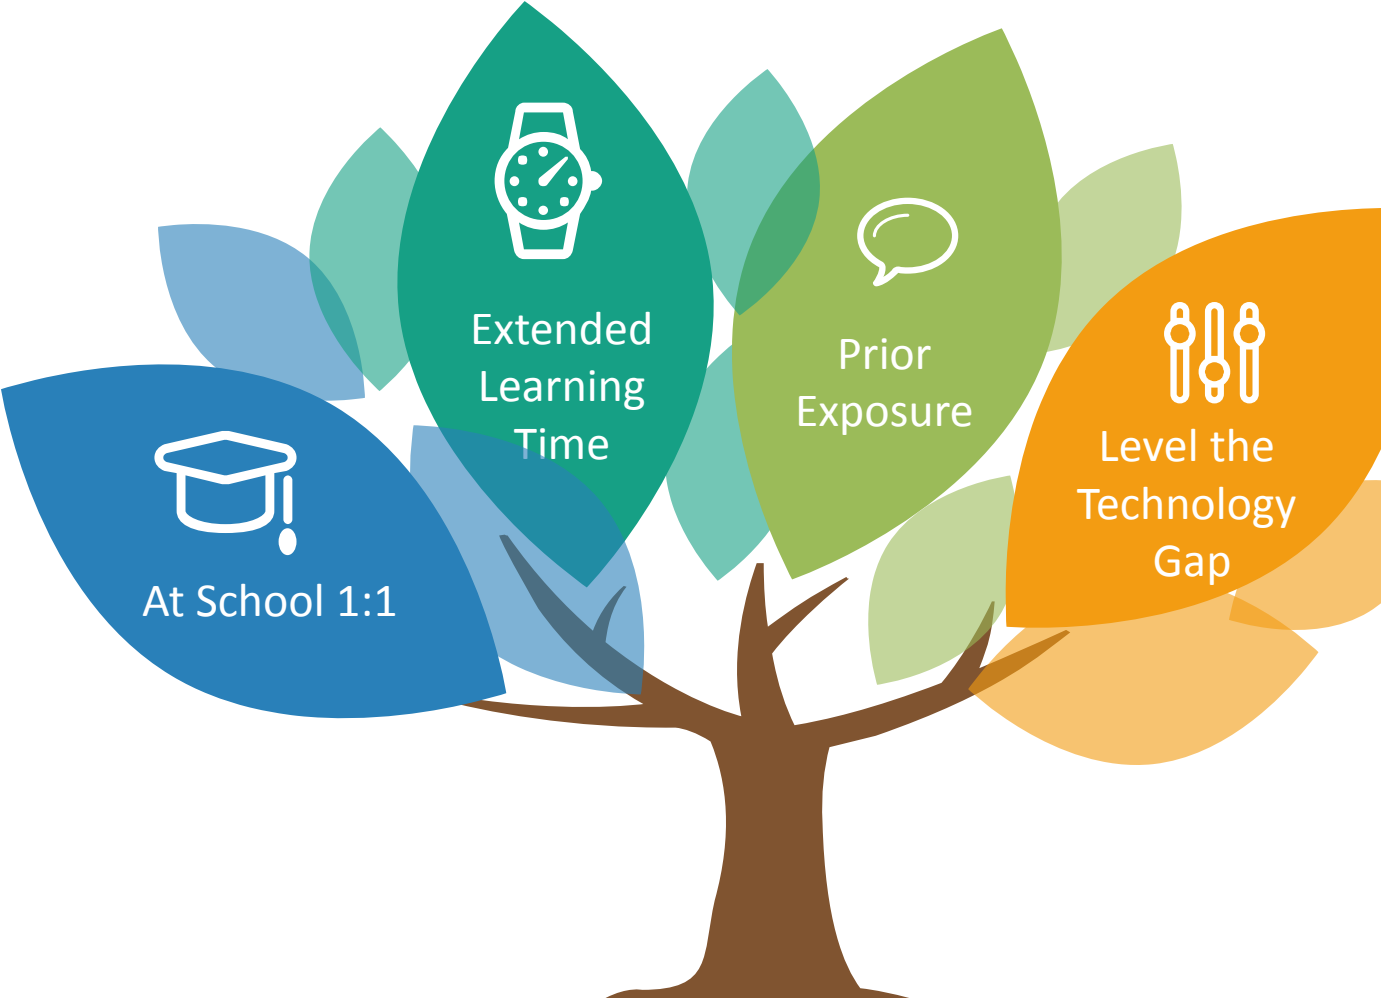

625

The number of students enrolled at California Elementary School.

Our students are behind, especially in Literacy. 40% of 4th and 5th grade students are reading two or more grade levels below. To catch up, they need more time to learn.

 **95%**
Free and Reduced Lunch

 **84%**
English Language Learners

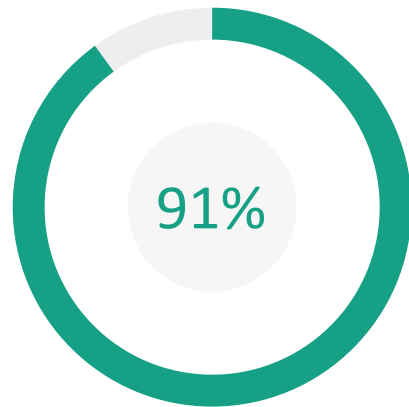

California Take Home Survey

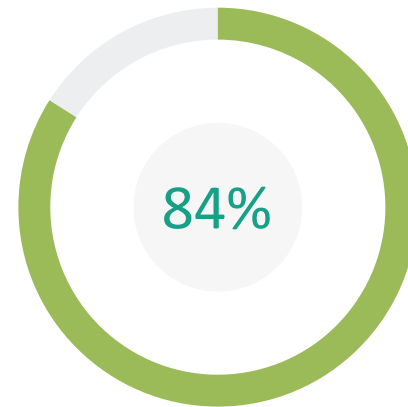

John Albert, Ed.D. Principal of California Elementary

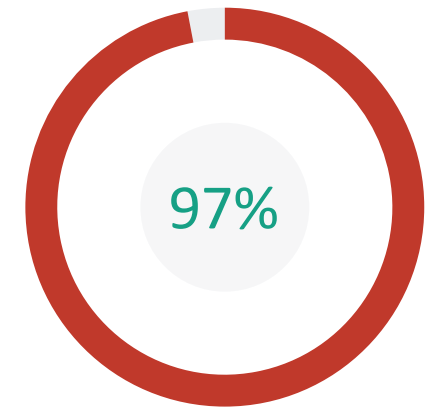

Parents who indicated that the take-home program was beneficial for their child

Students agreed that having the iPad at home helped them learn

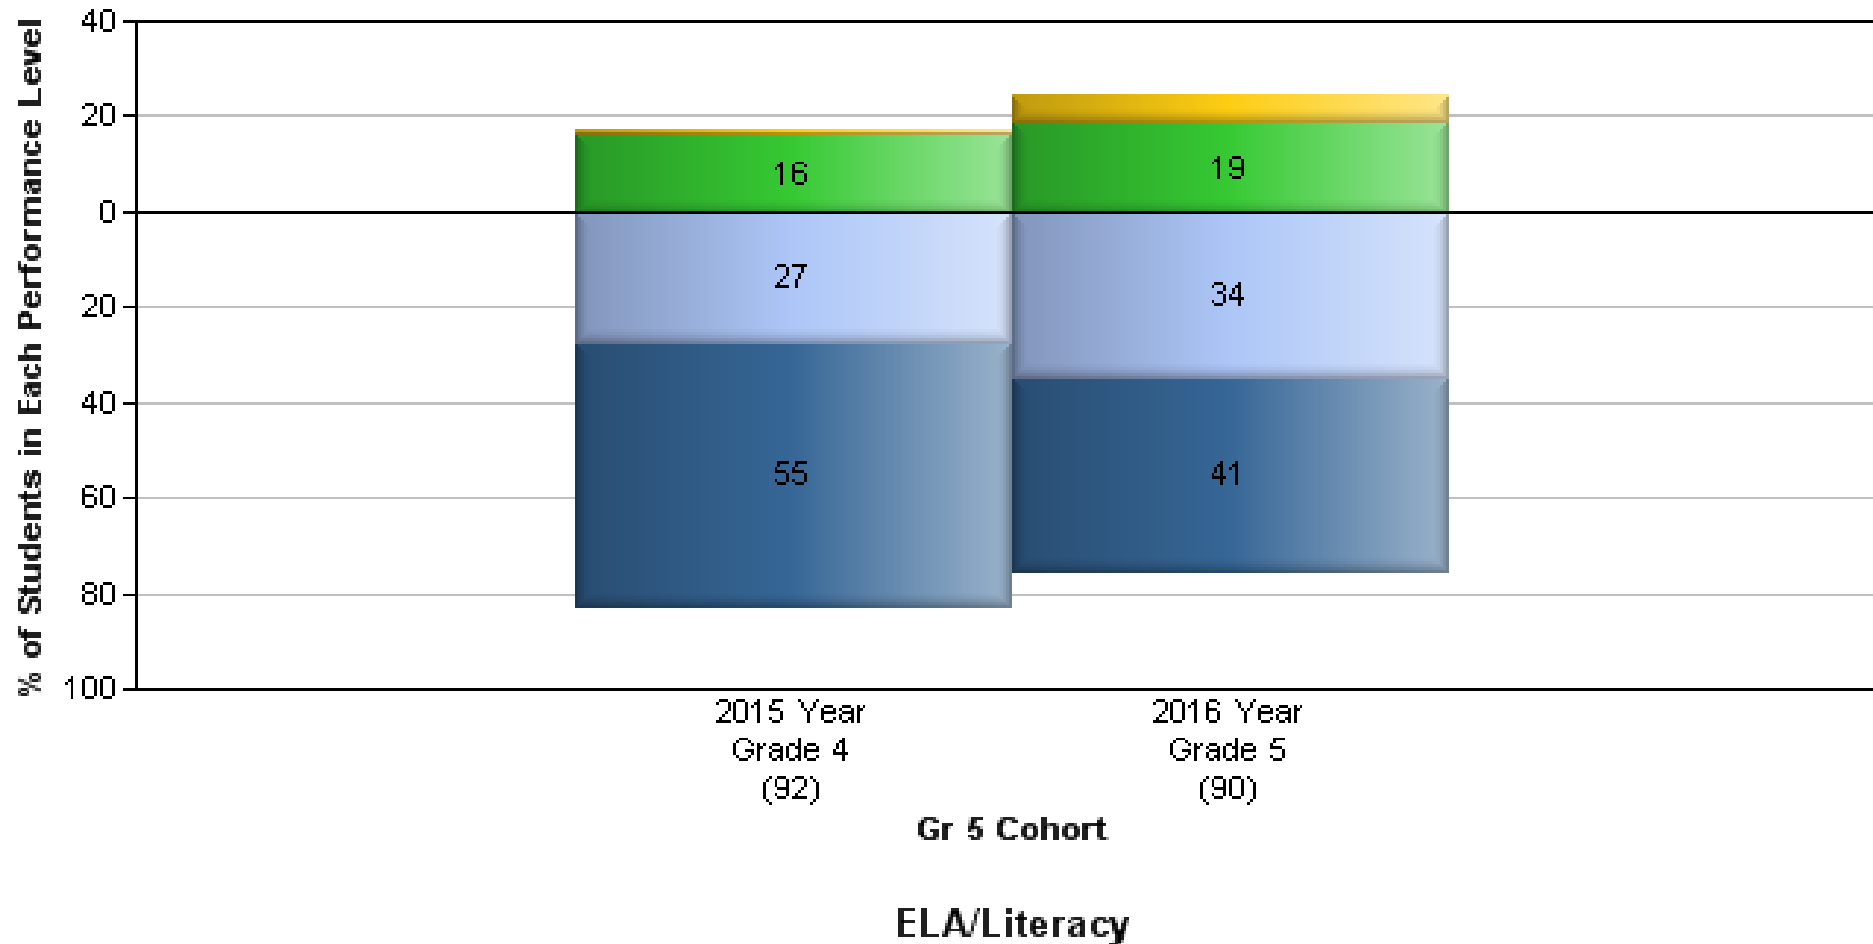

Students that agree homework has been more interesting

Students who recommend that the district continues to allow students to take devices home

Demographics

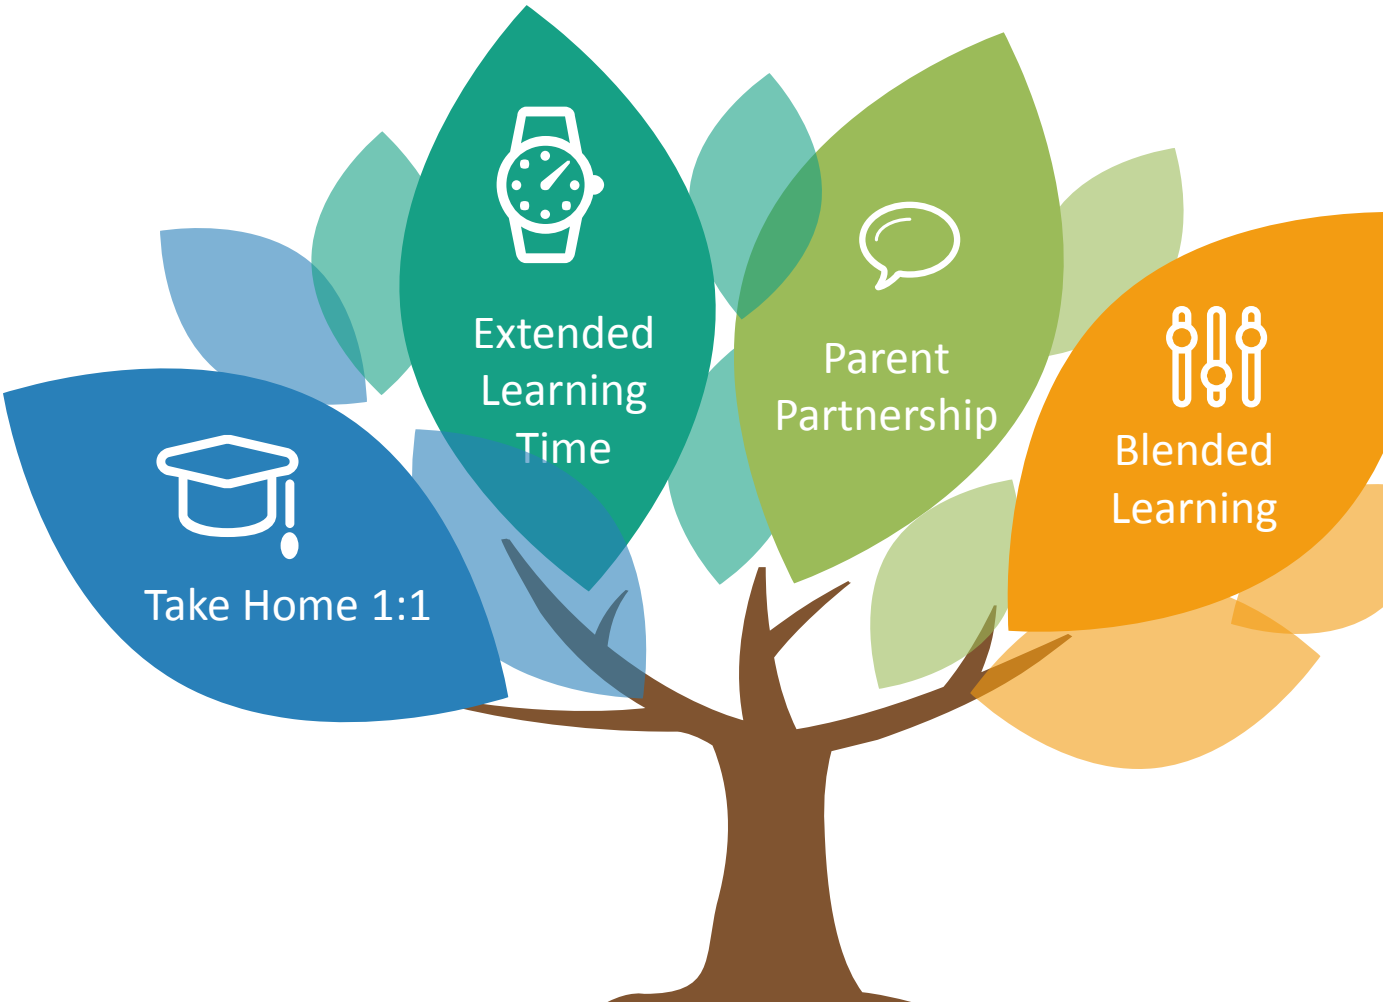

570

The number of students enrolled at Handy Elementary School.

Our teachers use technology to inform instruction and to personalize student learning. Through a take home model, students are able to complete assignments at home while maximizing differentiation in the classroom.
