

ORANGE UNIFIED COMMON CORE INNOVATION PLAN

Presentation to the Board of Education
Gunn Marie Hansen, Ph.D.,
Assistant Superintendent, Educational Services

February 21, 2013

Mission Statements

California's implementation of the Common Core State Standards (CCSS) renews its vision that all students graduating from our public schools system will be life-long learners and have the skills and knowledge necessary to be ready to assume their position in the 21st century global economy.

- California Department of Education, 2012

The Orange Unified School District, being committed to planning for continual improvement, will offer a learning environment of excellence, with high expectations, to provide each student with the opportunity to be able to compete in the global economy.

Common Core State Standards (CCSS)

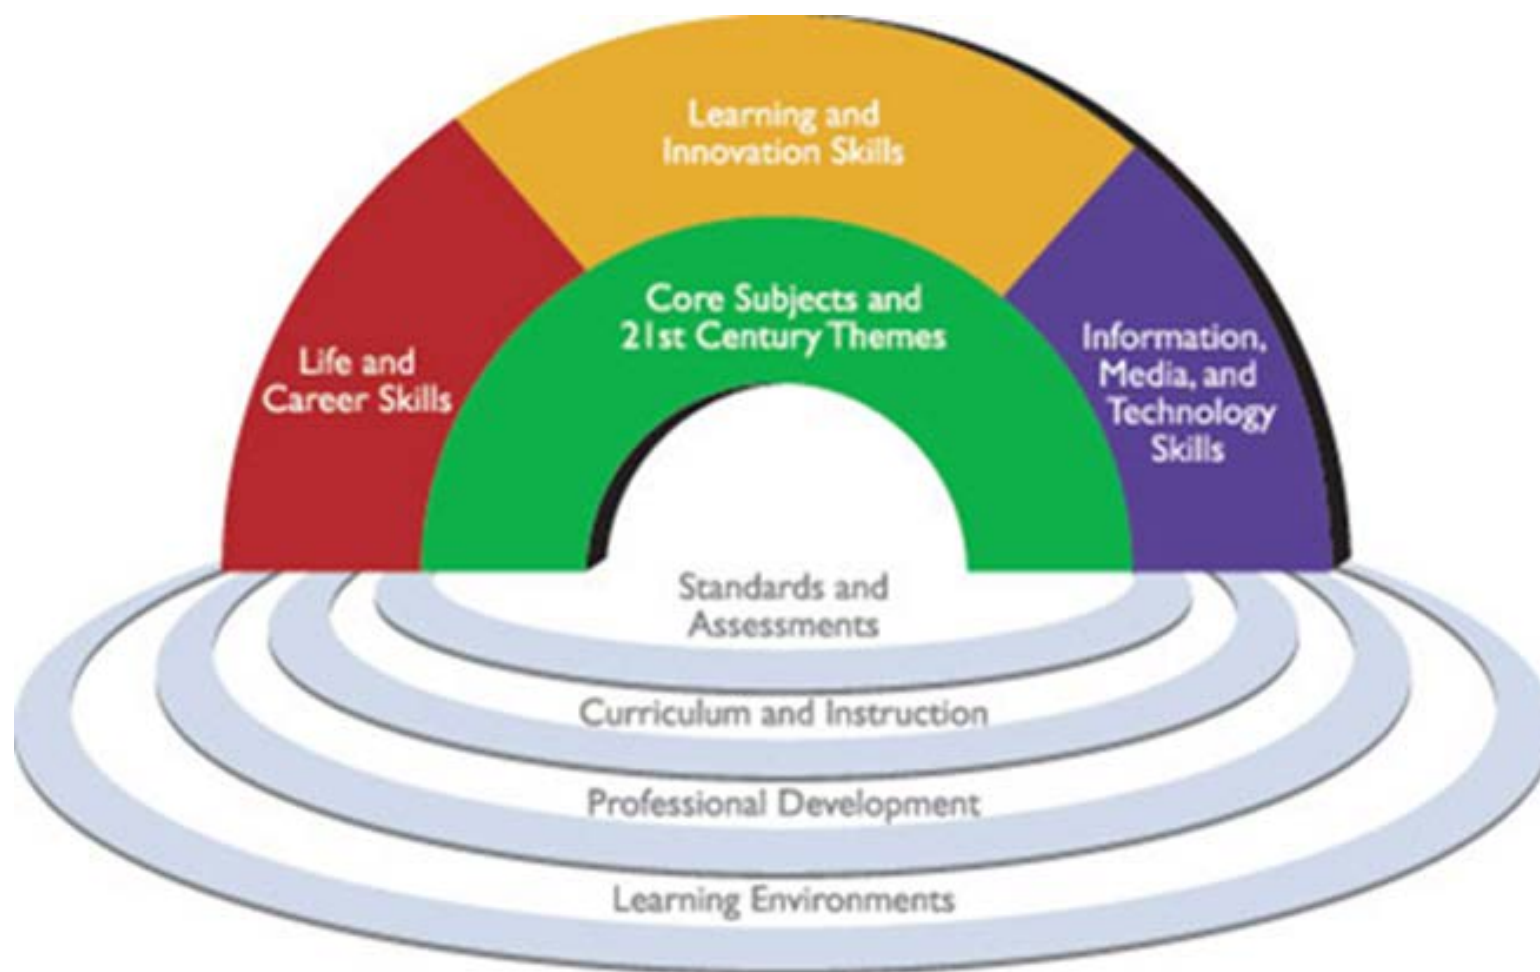

College & Career Readiness

Students will be prepared for 21st century learning by demonstrating—

- **Critical thinking and problem solving**
- **Collaboration to respond to various tasks**
- **Communication in oral and written contexts**
- **Creativity and innovation**
- **Use of technology, media, and digital information**
- **Interaction with other cultures and perspectives**

21st Century Teaching and Learning

The CCSS Instructional Shifts

English Language Arts (ELA)

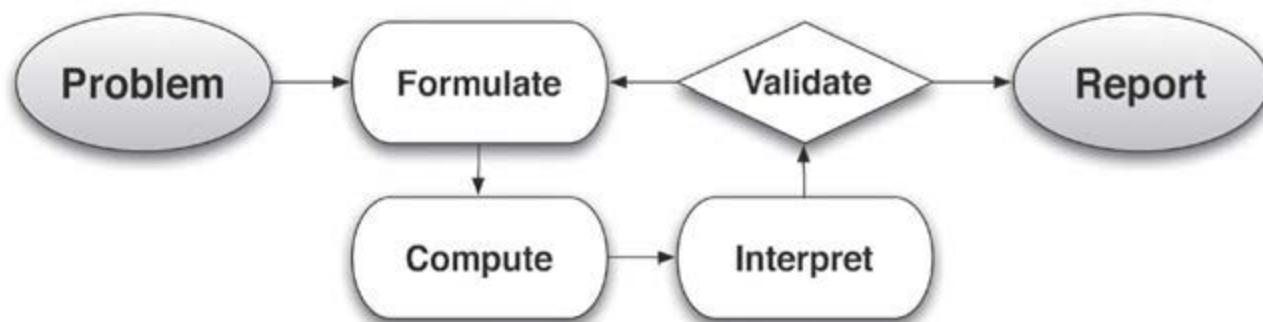

1. Building knowledge through content-rich nonfiction and informational texts.
2. Reading, writing, and speaking grounded in evidence from text in all content areas.
3. Regular practice with complex, challenging text and its academic vocabulary.

The CCSS Instructional Shifts

Math

1. Apply math skills to real world topics.
2. Think across grades, and link to major topics within grades.
3. Require fluency, application, and deep understanding with equal intensity.
