Both parties agree to fully cooperate in preparation of data for RFP's and evaluation of responses. Such benefits committee decisions shall be decided by unit vote of the District representatives and the Association representatives. The committee shall not make any decision that would cause the cost of benefits to be above the negotiated maximums set forth in the Agreement. In the event of a deadlock the matter shall be presented to binding arbitration. The arbitrator shall have no authority to make a decision that would cause the cost of benefits to be above the negotiated maximums ("the District CAPS") set forth in the Agreement. Payment to be made following the work year.
