Yorba Academy of the Arts Middle School Receives Donation

ORANGE, Calif., November 2, 2010—The Orange Unified School District is pleased to announce that Yorba Academy of the Arts Middle School was recently awarded a \$1,000 donation from Wells Fargo's Adopt a School Program.

Kerrie Torres, Yorba principal, stated that the school is in the process of creating a computer hub designed to provide parents internet access throughout the school day. The funds will be used to purchase two or three computers along with a printer. "Many of our parents do not have internet access to check the Parent Portal and these computers will give them the opportunity to check their child's grades and feel more connected to the school," said Ms. Torres.

The computers will be housed in the main administrative office once the current modernization project is completed. Ms. Torres added, "This is an outreach to our community. We will have an open door policy for our parents to use the hub. Also, our community liaison will be available to offer support."

The Orange Unified School District is located at 1401 North Handy Street in Orange, CA
